# PETE NJAGI MBITHI

Nairobi, Kenya | 0724531848 | njagipete12@gmail.com | https://pete-portfoli.vercel.app/

I am a Computer Science student in my 3$^{rd}$ year. I am passionate about computer networks, software engineering and machine learning. Well knowledgeable in Python and JavaScript

## EXPERIENCE

**JAN 2024- MAR 2024**

### FACILITATOR, CENTER FOR URBAN MISSION

I was able to volunteer as a facilitator in the children center in Tafakari Center, Kibera.
I helped organize children in their libraries, taught them life skills and did house visits. Here I was able to come up with my first project which was the Tafakari Symposium website.

**FEB 2023-JUN 2023**

### SYSTEM SUPPORT OFFICER, PRICERITE COMMUNICATIONS

Managed the company's data using Microsoft Excel.
Managed the company's selling platforms such as Jiji.
Managed the company's administration systems.

## EDUCATION

**JULY 2023**

### BACHELOR OF SCIENCE IN INFORMATICS AND COMPUTER SCIENCE, STRATHMORE UNIVERSITY

Learnt about computers and computer systems covering Units such as: Artificial Intelligence, Computer Networks, Data Structures and Algorithms, just to name but a few. In December 2025 I completed my 3$^{rd}$ year studies.

**JAN 2019-DEC 2022**

### SECONDARY EDUCATION, LIGHT ACADEMY

I was able to build my base in computer wizardry and gained a crucial attribute which is discipline and this helped me attain a score of A- in my final examination.

## SKILLS & HOBBIES

- Fronted and backend development
- Excellent communication skills, both verbal and written
- Data analysis using Pandas and NumPy
- Ability to collaborate effectively with other team members
- I play sports such as football and golf which builds a lot on my social skills and integrity
